Since the 21st April, we might have mention a few times to friends and families that 5th Billericay Scouts won the Sedan Chair race held at the Renewal of Promise event. Well done to all who took part or supported the team. The car also looked brilliant. A few pictures of the preparation for the event and the event itself can be found here:

For those that don't believe it snowed at the recent March camp at Gilwell, look again at these photos that have just been uploaded:
