

We would like to welcome the new Cub Scouts that are joining us; I'm sure they will enjoy themselves and become valuable members of our pack.

We implemented a parent rota last half term which seemed to work well. Please ensure when you child's name appears on the programme you are available to help. If you are unavailable to help on your allocated date, will you please rearrange a new date with the other parents. It is important that we maintain the parent / child ratios for all activities in order that they can take place. If you have other children it is not a problem to bring them.
