

We have booked another winter family camp, during the Christmas holiday period. This is at Thriftwood Scout Camp from Saturday 29/12 – Sunday 30/12. This camp is for cubs and their siblings and parents.

We will be doing various activities over the weekend; the intention is to try to take in activities that the children wish to do; but the idea is that this should also be a relaxed camp giving children and parents a chance to 'chill out' after the Christmas festivities.

The cost will be £10 per head.

As this is a winter camp and we have booked one of the camp lodges this means that places are strictly limited, so will be on a first come first served basis. Therefore please let Graham, Lawrence or myself know as soon as possible of your intention to attend. Payment in advance will guarantee your place.

Akela (Graham), Lawrence and Martin.
