

10th January 2012

Dear Parents/ Guardians,

Welcome back after our short Christmas/New Year break. Thank you for your gifts and cards, they were very much appreciated.

We lost two of our more senior Cubs to Scouts at the end of last term and welcome some new faces this term.

This term we will be working on four badges. They are the Communication, Local Knowledge, Navigator and Road Safety badges. At least one of the activities planned will include going outdoors, so coats will be required. I'll remind you nearer the time.

Before I list the weekly activities, I would just like to remind and make you aware of a couple of things.

Firstly, I do operate a Behaviour Policy, and if a child is too disruptive during the Tuesday night session, they will be issued with a warning on the first occasion and will be asked to leave Cubs if their behaviour doesn't improve over the following weeks.

Secondly, for those of you who are unaware, I do have a full time job, and on occasions I may

Finally, I am trying to set up a system where the majority of communications are either made via an e-mail or an entry on our own Cubs website. To ensure all parents are contactable, I need to confirm that I hold your up to date e-mail address. Therefore, could you please complete the attached Annex and return to me next week. Our Cubs website is: www.5thbillericay.co.uk

27th March End of Term activity

The above is an indication of what I have planned for each Tuesday session, but they are open for change at short notice.

Happy to discuss any of the above if you any questions.
