

To allow as many Scouts as possible to attend summer camp £350 of the cost is going to be covered through fund raising. We expect every Scout who is going to camp to raise their own target, otherwise the difference will be added to the £250 payment. We however will schedule enough events for you to easily exceed this amount. The table below outlines the events we will organise, when and the minimum target a Scout should be able to raise from each event.

Event	Status	Date	Minimum
Cake Sale	Confirmed	£10	
Fireworks Litter Pick up	Confirmed		
£20			
Christmas bag packing	Confirmed		
£30			
Girls night in	Confirmed		
£150			
Easter Bag packing	Pending	£30	
Sponsored 20K walk	Pending	£100

End of Fund raising party	Option		
£50			
Change jar	Confirmed	n/a	£10
Total per person	£400		

Further information regarding these fundraising ideas can be found on the [Fundraising Instructions](#) page.

Other ideas include car cleaning, snow shoveling or leaf cleaning, £5 per car/drive/garden.

Also ask your parents if the company they work for does some charity matching scheme, if so and they help you, you might double you money.

Additionally any funds raised from the tuck shop this year will go towards the fund raising, as well as any corporate donations we receive or money from Basildon car parking (12th July).

Any additional fundraising, above and beyond an individuals target will go into the pot, and contribute to providing additional activities, ice creams, etc.

The table below shows each Scout (Patrol and initials) and the amount they have raised from the events so far. This table was updated on the date at the bottom of the page.

*If you do fundraising outside of our organised events.

Not only have we received money from our own fund-raising activities, but from very generous donations as well. For these donations we are ever so grateful. Any donation, or other single fund raising payment, will be evenly distributed across those attending.

Any fund raising ideas you may have would be gratefully received, please email Paul Richards.
