

Skiing Night

Written by John Drew - Last Updated Monday, 03 December 2012 20:09

Hi, just to remind everyone that Friday 14th of December 2012 is the Genesis Skiing Night. This will be a great opportunity for the Scouts to try something different. They will have an hour of skiing instruction and then some free time to practice what they have learnt. We will also be providing snacks, drinks and party food to get the Christmas festivities off to a great start. Parents are welcome to stay and watch and perhaps catch up with the leaders.

Due to the fact that we are having to pay for professional instruction, there will be a contribution charge of £25.00 per Scout (payable on the night) towards the activity, the remainder will come out of funds raised through the Scout Tuck Shop.

The Scouts will be skiing on the outdoor ski slope so they will need warm clothes appropriate for the weather and in order to ski they must be wearing gloves.
