

Bank Payment

Written by John Drew - Last Updated Monday, 29 December 2014 15:38

For certain activities (camps and special events) we accept Faster Payments or Direct Transfer into our bank accounts. The process is simple and makes payments easier for you. Please note this is NOT for subs.

Having made a successful payment please email the event organiser (or the [Scout leader](#) if no named organiser) to inform them of the payment.

This is so we can tie the payment to the right Scout and event, etc. Failure to inform us will result in payments not being recorded and Scouts potentially missing out on fun activities.

For most activities we undertake please use the following bank account:

Account Name: Genesis Scout Troop

Bank: LLoyds Bank

Sort Code: 30-90-80

Account Number: 01223445

Reference: The name of the Scout(s) the payment relates to

Only use the following account for payments that relate to Kandersteg trips:
